This has reference to the news article entitled "Semirara takes loss as exports halted" posted in Malaya Business Insight (Internet Edition) on July 23, 2015, which the Philippine Stock Exchange has requested Semirara Mining and Power Corporation (the "Company") to make a clarification and/or confirmation. The article reported in part that:

"Semirara Mining and Power Corp. (SMPC) may lose up to P586 million every week as the Department of Energy (DOE) yesterday ordered the suspension of the firm's coal export shipments to prioritize domestic coal consumers pending the investigation of the cause of the landslide at SMPC's North Panian mine in Antique.

...."

The Company would like to clarify that we did not make any disclosure to the public on any losses resulting from the suspension of export shipment. The volume of coal inventory intended for export shipments will just be shifted to domestic customers.

Moreover, the Company is still waiting for the completion of the investigation and review of the landslide and receipt of the final order from the Department of Energy.
